Dear All,

Reg. Clarity on Association and Training under Version 2 of Mission RIEV

1. This office has been getting reports about the conduct of field functionaries on various aspects detrimental to the Mission. And it has also been observed for long period that many of the field functionaries associated with Mission RIEV are already engaged somewhere else and drawing double compensations. Majority of the functionaries have been issued login IDs but no progress is being shared on the portal which means no attendance; hence non-existent as RIEV functionaries.
2. In light of the above, all may please be updated that only the active functionaries shall work along with the Mission and their trainings shall start from 3rd Dec 2018 Monday onward on the Version 2 with a new taste, style and compensation plan.
3. This office has been following up with the District Coordinators to share the lists of activated functionaries and some of them have shared the lists.
4. This is for the general information that in case, some of the active functionaries from different districts, blocks and gram panchayats are still un-updated with respect their status with Mission RIEV, they may approach the District Coordinator and Block Coordinator of the District / Block concerned.
